

## **Quad Innovations Acquires DuPage Precision Products, a premier supplier of Precision Machined Components**

**Brentwood, TN, August 1, 2025** – Quad Innovations, LLC (“Quad” or “Quad Innovations”), a private investment firm focused on small to mid-size manufacturing companies, has acquired DuPage Precision Products Co. (“DuPage”).

DuPage is an ISO certified Tier 1 precision machining manufacturer, headquartered in Aurora, IL. The Company ([www.dupageprecision.com](http://www.dupageprecision.com)) offers an array of in-house precision machining capabilities, including multi-axis CNC Milling and Turning for multiple Fortune 500 companies.

DuPage was founded in 1950, by John Schroeder and Phil Flynn. Dennis Flynn & Michael Schroeder joined DuPage in 1978. Shortly thereafter, they purchased the company from their fathers, continuing the reputation for manufacturing excellence and service. Under their leadership, DuPage has grown operations through continued investment in people, cutting edge equipment, engineering services, and exceptional craftsmanship.

“This growth will continue with a third generation, as Mike Flynn will be retained as General Manager. We are pleased that Quad Innovations will provide first-class service to our customers, diversification opportunities across several industries, while retaining our talented employees, benefits, and successful operating procedures,” said Dennis Flynn & Michael Schroeder, Co-Owners of DuPage Precision Products.

Chris Sekella, Principal at Quad Innovations stated, “The acquisition of DuPage Precision Products represents a crucial step in Quad Innovations’ mission to create value for all stakeholders, by identifying and delivering sustainable operational performance. We are incredibly excited about the possibilities this acquisition unlocks. Through integration with Quad’s existing capabilities, DuPage is poised to deliver further innovation within the industry.”

Jason Welch, Co-Founder at Quad Innovations said, “Quad Innovations is honored to build upon Dennis & Mike’s legacy within DuPage Precision, and their fathers before them, which is celebrating nearly 75-years. We sincerely appreciate their strong dedication to their employees, customers, suppliers, and local community.”
